Percent satisfied with school-home relations	75.9%	83.5%	70.4%

*Only students at the highest middle school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

In its eighteenth school year Henry L. Sneed Middle School continued its mission of preparing young people to become responsible citizens and lifelong learners in an academically enriching atmosphere. This year, Sneed provided a balanced, well-rounded education to almost 900 students.

Our teachers and students continue to make us proud in and out of the classroom. During the 2011-2012 school year, Sneed earned a "Good" overall rating from the state department of education and earned the Palmetto Silver Award in recognition of its achievement. Sneed now has 6 nationally board certified teachers on its staff, with Jennifer Thomas being our most recent teacher to earn national certification. Our standardized MAP and PASS test scores continue to improve, with MAP test scores increasing significantly between fall and spring. We continue to utilize technology in our classrooms and in dedicated technology labs. We believe we are poised to provide our faculty and students with the latest emerging technologies as we move deeper into the 21st century.

Sneed's students continue to excel in academic and creative competitions. Nine different Sneed students swept first, second and third in the National Career Development Association poster and poetry contests. Eighth grader Ann Collins Josey was chosen by her peers from over 30 young ladies to be this year's Miss Sneed. Proceeds from the Miss Sneed pageant alone funded the purchase of four laptop computers for our computer labs! This year the Pee Dee Education Center recognized 32 Sneed students as South Carolina Junior Scholars. Sneed 8th grader David Lu was the Pee Dee Region's overall high scorer on the PSAT, achieving the highest scores on all three sections of the test. Eighth Grader Rex Abbott wrote the winning essay in the FSD1 writing award program and Michael Jones finished 4th in the state in the Sumdog.com math contest.

Outside the classroom, the Sneed band placed 3 students on the all-region band and 6 students on the all-district band. Seventy-two members of the Sneed Beta Club participated in the Reading Blitz program at Delmae Elementary School. This summer, nine Sneed Beta Club students will travel to Europe, where they will learn about and be exposed to different people and cultures. On our faculty, teacher Maxine L. Edge received the Optimist Club's 5 Star Teaching Award. Sneed's teacher of the year is Teresa Cole and our support person of the year is head custodian Kathy Samuel. Finally, Coach Billy Andrews was recognized by the South Carolina General Assembly with a resolution honoring him for becoming the second winningest soccer coach in South Carolina history, with 517 wins.

Sneed Middle School is particularly proud of the participation of its faculty and students in various charitable efforts. Sneed students have provided food and other supplies for House of Hope, Pennies for Patients, The Samaritan's Purse shoebox project, Operation Christmas Child and the Wounded Warrior program. Through such programs, our students and faculty learn about the true meaning of duty, service, patriotism and being a part of something larger than one's self.

In providing a broad based learning environment, with participation in academic, social and charitable programs, Sneed Middle School sends academically prepared and socially aware students on to the next phase of their education. While our primary focus is certainly academics, at Sneed we believe we are providing opportunities for our students to obtain a well rounded education, thus making

Comprehensive detail, including definitions of ratings, performance criteria, and explanations of status, is available on www.ed.sc.gov and www.eoc.sc.gov as well as school and school district websites.
